Since 1949...

A wide-angle photograph of the Chicago skyline across Lake Michigan. The sky is clear blue, and the water is calm, reflecting the city's skyscrapers. The Willis Tower is prominent on the left.

Our Aviation heritage began in Chicago in 1949. Today, our experience of over 3,000 global resale transactions provides an unequalled advantage for our clients.

As one of the leading aircraft acquisition and resale firms in the world, we continue to be relentless and strive to exceed your expectations.

The logo for Aircraft Sales Group features a stylized, metallic-looking wing or tail fin that curves upwards and to the left. The text "Aircraft Sales Group" is positioned to the right of this graphic.

Acquisition

We don't just help you climb these stairs, we help you own them

You need an experienced partner that inspires confidence and ensures a pleasant and professional buying experience without the pitfalls of those less qualified. As one of the most effective resale firms, we devote our experience and knowledge to you.

No aviation professional can deny that every aircraft deal is different. It takes exceptional experience to analyze the details of your clients need and desire in every aircraft transaction and then the ability to react intelligently to every facet of the deal. It is the only way to protect the investment and make the best choice. We are relentless in providing proprietary knowledge to make certain your decision is the very best solution...every time.

In this age of information you cannot make the best decision by viewing ads, making calls, email for data, and then try to analyze what is the best value. **There is so much more to know.**

You need experience and pure market knowledge in order to understand and then capture the best aircraft opportunity. We have over 130 years combined worldwide experience navigating jet acquisition and resale.

Call us and have us share our experience with you.

Global Marketing

The ability to reach global markets is key to efficiently selling your aircraft.

Placing a few ads on the Internet cannot begin to scratch the surface of effective marketing. Our firm owns and controls the most powerful websites that target specific aircraft models that exceed the demands of online marketing.

For over 45 years, we have acquired and resold aircraft in over 50 countries around the world.

That is only the beginning.

We implement a unique marketing plan for your aircraft that utilizes a specific set of tools that includes detailed specifications, promotional photography, published magazine advertising, and advanced global communication sources-we get on the phone!

Our group of highly experienced professionals, with 130 years combined experience, utilizes cutting edge knowledge and resources that achieves global market penetration to maximize your investment.

We don't just make the deal...we create it®

"We could not believe the service this company provided. We have gone from charter to initial ownership with ASG to our third jet we acquired with them. We have been thrilled with their service, experience, and insight"-
Leading global top fashion designer. T.F.

"I have purchased and resold 4 jets ranging from my first Learjet to my current Global Express with this company. I would trust no one else with my business"-Formula 1 world champion R.L.

"In the last 16 years, I have owned a Beechjet 400A, a Hawker 400 XP, a Lear 60, a Hawker 900XP, and now a Falcon 2000 LX. When I sold the 400A and the Lear, I made money. I am thrilled with my position in the Falcon. This firm has acquired and resold all of them. I would never consider using anyone else-Ever"-Managing partner of a very large P/E firm. C.T.
